OBLAK MIHA

CVETLIČARSKA GALERIJA

Oblak Miha, 1981, rože in cvetje, kot umetnine, vsakič znova drugačne ena zraven druge, zmeraj na koncu nekaj svojega, posebnega in enkratnega, ustanovitelj in lastnik, od leta 2004.

Sanjal sem to, kar delam danes.

*Oblak Miha, 1981, flowers and plants, like art, always different, one next to another, at the end ... they are always something special and unique, founder and owner since 2004.*

*I dreamed of what I do today.*

Miho spremljam že od samega začetka njegovega delovanja, ko je na Poljanski ulici pred skoraj 20 leti odprl svojo cvetličarno. Že takoj sem vedel, da bo nekaj posebnega. Njegova cvetličarska galerija, kot ji sam reče, prinaša v mesto lepoto narave, divjino Ljubljanskega barja in svežino idej.

Mihove kreacije so polne domišljije. Vedno z veseljem in poln pričakovanja zavijem v njegovo cvetličarno in vstopim v ta pravljичni svet.

Edini šopek, ki sem ga v življenju prejel, je bil prav njegov - feferoni in trnje na dan mučenikov je bila res briljantna ideja.

Miha, želim ti obilo kreativnih idej!

Zoran Jankovič,  
župan Mestne občine Ljubljana

*I have been following Miha since the very beginning of his journey when, almost 20 years ago, he opened his flower shop on Poljanska Street.*

*Right from the start, I knew he was something special.*

*His floral gallery, as he calls it, brings the beauty of nature, the wilderness of the Ljubljana Marshes, and a fresh burst of ideas to the city.*

*Miha's creations are full of imagination. I always visit his flower shop with excitement and anticipation, stepping into this fairytale world.*

*The only bouquet I've ever received in my life was his - peppers and thorns on the day of martyrs was truly a brilliant idea.*

*Miha, I wish you an abundance of creative ideas!*

Zoran Jankovič,  
mayor of the City Municipality of Ljubljana
